POWER ~PODS~

Small Play Groups for Winter

AZ+A

Supporting children in early childhood enhances their quality of life socially and prepares them for success during their school years. This year, COVID has changed how preschoolers and kindergartens will experience this critical learning time. **AZ+A can help!**

AZ+A's activity rich Power Pods small play groups offers a safe solution by keeping the same children grouped with the same therapist throughout the 8-week session. These therapeutic play sessions keep your child active and engaged while schools have temporarily moved to virtual learning environments.

Small Play Groups focus on:

- Social skills in the age of online learning
- Emotional regulation
- Fine and large motor skills
- DIR/Floortime® play sessions encourage reciprocal play and engagement
- Problem-solving and being part of a team

January 12th – March 9th

NEW WINTER SESSION!!

Preschoolers

Pod 1 - Monday/Wednesday/Friday - 10-12
Pod 2 - Tuesday/Thursday - 10-12

Kindergartners/1st Grade/2nd Grade

Pod 1 - Monday/Wednesday/Friday - 4-5:30
Pod 2 - Tuesday/Thursday - 4-5:30

Power Pods will be held in person at the AZ+A playhouse to gain a trust and working relationship with the kids. If a child needs to join virtually for any reason, that option is available.

All AZ+A safety guidelines will be followed. Sessions are billed to insurance or paid out of pocket.
